New applicants please review our membership application procedure which is defined in our association bylaws.

Election to Membership (excerpt from PWCA(C) Bylaws)

4. Election to Membership (excerpt)

- a) *Each application for membership shall be proposed and seconded by a member in good standing who knows the applicant personally. It is suggested that the applicant be invited to attend a meeting in his/her Section prior to submitting the application. The initial application and fees shall be sent to the National Secretary, and the fees shall be subsequently forwarded to the National Treasurer, with the full amount retained at the National level.*
- b) *Applicants' names and addresses, together with the names of the sponsor and seconder, shall be published in the COURIER and/or the membership shall be notified of same directly by the National Secretary.*
- c) *New applicants shall become Associate Members one month following receipt by the membership of the publication/notification UNLESS the Executive receives five written objections, including legitimate reason(s) for the objection. Should a new applicant be rejected, the Secretary shall notify the applicant, as well as the proposer and the seconder, in writing, and notice of the rejection will be published in the COURIER.*

Unfortunately the above process takes time. As an applicant your request may take several months, since we only publish our Corgi Courier once every 3 months. We must then allow one month following issuance of the Courier to allow members to respond to your application (c above).

The National Secretary will generally contact you about 4 to 6 weeks following publication of your application in one of the (Spring, Summer, Fall or Winter) Couriers.
