Please note the following information when completing your application:

- The points allocated for titles in any one discipline should not be totaled. The highest points, applicable to the highest title obtained in that discipline, will be the points counted.
- An Excellent title constitutes a title with a point allocation of 10 points or more.
- The VC award is not a prerequisite for the VCX award. A dog meeting the criteria for the VCX award (titles in a minimum of 4 CKC disciplines, at least 1 Excellent title and a minimum of 30 points), may be awarded the VCX award immediately.
- Performance titles counted for GCH should not be counted again in the tabulation for the award.
- Please note that additions and revisions to the award criteria may be made at any time by the Executive Board of the Pembroke Welsh Corgi Association (Canada).
